Re : Application for Scholarship for Doctor of Philosophy Program in Medical Physics and Medical Engineering (International Program) of the Academic Year 2023 (For the Project "Development of Research and Development Talents in Medical Physics and Medical Engineering", Academic Year 2023 - 2028)

Princess Srisavangavadhana College of Medicine, Chulabhorn Royal Academy, has considered the application for a scholarship for the Doctor of Philosophy Program Medical Physics and Medical Engineering (International Program) of the academic year 2023 to develop students in teaching and learning, research, as well as expanding equally educational opportunities for students.

By virtue of Section 32 of Chulabhorn Royal Academy Act B.E. 2559 and its amendments accompanied by Order of the Chulabhorn Royal Academy Special 8/2566 Re: Authorization for Operations of Chulabhorn Royal Academy, Chulabhorn Royal Academy Announcement on Application for Scholarship for Doctor of Philosophy Program in Medical Physics and Medical Engineering (International Program) of the academic year 2023 (For the Project "Development of Research and Development Talents in Medical Physics and Medical Engineering", Academic Year 2023 - 2028) is therefore announced with the following details:

1. Eligible scholarship applicants:

1.1 The scholarship recipient shall study in Doctor of Philosophy Program in Medical Physics and Medical Engineering (International Program).

1.2 The scholarship recipient shall have qualifications according to the details attached with the announcement of Princess Srisavangavadhana College of Medicine on application for admission to the Doctor of Philosophy Program in Medical Physics and Medical Engineering (International Program) Academic Year 2023 (No. 2)

1.3 The scholarship recipient shall not be in the process of receiving scholarships for graduate studies from other sources of funding.

2. Fund type and fund allocation:

The scholarship shall waive the actual costs of tuition fees, educational maintenance fees, and educational fees (admission fee and student ID card fee). Types of Scholarships are as follows:

2.1 The scholarship for students in Plan 1.1 is allocated for 3 years of no more than 400,000 baht per scholarship.

2.2 The scholarship for students in Plan 1.2 is allocated for 4 years of no more than 550,000 baht per scholarship.

3. Period of scholarship:

3.1 Doctoral students in Plan 1.1 are allocated for a period of 3 years.

3.2 Doctoral students in Plan 1.2 are allocated for a period of 4 years.

4. Period of application:

A scholarship application form submission from now on until 8 June 2023.

5. Criteria and conditions for receiving scholarships:

5.1 The scholarship recipient shall study in the Doctor of Philosophy Program in Medical Physics and Medical Engineering (International Program).

5.2 The scholarship recipient shall be polite and have good behavior without a history of misconduct, suspension or being suspended from studies, or missing any exams.

5.3 The scholarship recipient shall not in the process of receiving scholarships for graduate studies from other sources of funding.

5.4 Within the scholarship period, a study report and thesis progress report shall submit during the scholarship period with the approval of the Program Administrative Committee to Princess Srisavangavadhana College of Medicine at the end of each semester.

5.5 Within the scholarship period, at least two research articles shall publish in an international academic journal listed in the Scopus or PubMed databases. The scholarship recipient shall be the first author and the research articles must be a part of the doctoral thesis. The scholarship recipient shall publish the research articles on behalf of Chulabhorn Royal Academy, as well as specify the scholarship in the acknowledgment of the research articles. This also applies to the scholarship recipient who does not receive the scholarship for the entire duration of the contract.

5.6 Before graduation, the thesis abstract, approval page, and acknowledgment shall be submitted as PDF files, and the scholarship shall specify in the thesis acknowledgment. This also applies to the scholarship recipient who does not receive the scholarship for the entire duration of the contract as well.

5.7 The scholarship recipient shall enter into the scholarship contract with Chulabhorn Royal Academy and provide a suretyship according to the form and method specified by Chulabhorn Royal Academy.

6. Scholarship repayment

If the scholarship recipient does not comply with the conditions for the scholarship, the Royal Academy has the right to terminate the scholarship contract. The scholarship recipient agrees to repay the money received during the study period under this project to the Royal Academy within the period specified by the Royal Academy. In case

of non-compliance, if the reason is of utmost importance, the scholarship repayment scheme will be considered by the scholarship committee.

7. The suspension of the scholarship contract

Princess Srisavangavadhana College of Medicine will suspend the scholarship when:

7.1 The student status of the scholarship recipient terminates.

7.2 The scholarship recipient has an examination result of lower than S level for 2 consecutive semesters.

7.3 There is no progress in thesis work according to the opinion of the Program Administrative Committee.

7.4 The scholarship recipient terminates or takes a leave of absence from study without reasonable grounds.

7.5 The scholarship recipient commits fraud in the examination or plagiarizes the academic work of others.

7.6 Scholarship Committee has considered and deemed it appropriate to suspend the scholarship.
